

Home Learning

**Apps to connect
you to school**

**Work can also be found on the home page
at www.ullswatercc.co.uk**

Gmail

- In School, we use Google Apps for Education and you all have a school email address within Gmail
- Download the Gmail app from your Apps Store (Apple/Google Play/Windows)
- Login with your school email address. This is yourschool.login@ullswatercc.co.uk
- For example: joe.bloggs@ullswatercc.co.uk
- You will then be asked to log into RM Unify. To do this use the same email address and your school password
- If you need to communicate with your teachers, you should only do so through your school email account

Class Charts

The ClassCharts student app lets you check your timetable, keep track of your ATUs and importantly see any homework your teachers have set

In your App Store, search for Class Charts students – you need to make sure you download the app with this exact name

Login to the app using the student code on your personalised slip

Google Classroom

Some of your teachers may set you work through Google Classroom

Download Google Classroom in the App store and log in the same way as you did you Gmail

Google Meet – Year 11 and 13

Google Meet is a tool that allows your teachers to create an online, virtual classroom where they can run lessons, revision sessions and intervention via a webcam and microphone

Download Google Meet from your app store and log in in the same way as Gmail

Please note: This App will only be used in the event of a School Closure. If your teacher runs a Google Meet, you will be notified in advance to your school email
